To free your summer-soiled skin of its oiliness, muddiness, freekles, blotches or tan, the best thing to do is to free yourself of the skin itself. This is easily accomplished by the use of ordinary mercolized wax, which can be had at any drug store. Use at offending surface skin begins to come off in the morning. Immediately the offending surface skin begins to come off in the morning. Immediately the offending surface skin begins to come off in the morning. Immediately the offending surface skin begins to come off in the powder-like particles. Gradually the entire cuticle is absorbed, without pain or inconvenience. The second layer of skin now in evidence presents a spotless whiteness and sparkling beauty obtainable in no other way I've ever heard of. If the heat tends to loosen and harmless remedy you can readily make at home. Just let an ounce of powdered saxolite dissolve in a halfpint witch hazel and bathe your face in the liquid. legislative existence of Great Britain, forming as he does a sort of connect-ing link between the crown and the forming as he does a cort of connecting link between the crown and the people. For it is he who, in the name of the sovereign, summons the peers, judges, prelates and commoners to assemble for the transaction of the legislative business of the vast British empire, "at the city of Westminster." In fact, it is upon him that devolves the duty, on the occasion of all general elections, to issue the King's writs calling for a new Parliament to meet. These writs are sent through the mails free of charge, and all sorts of presautions are adopted to insure their safe and speedy transmission, wiful neglect or delay in delivering or transmiting the writ of the clerk of the crown—such as was occasionally practiced in former days—being a misdent to meet and the crown and the people.
